RE: Providing feedback to Management and the Board

Hello, we hope all are doing well.

Management and the Board welcome your feedback and there are multiple avenues to provide comments. The management offices are open on weekdays and you are welcome to share your observations personally. In addition, you may write a letter and leave it at the front desk. Another option is access our website and submit comments. The website address is: www.bellinicondo.com. Once you have entered the Bellini website, please click on 'Contact Us' to send your comments. We will respond to you.

Thank you for time and feedback.
